

### Praying for God's Will in My Life

- That God would forgive us for the times we fail to choose what is just and to do what glorifies Christ
- That God would help us repent of everything that prevents us from following Christ without limits, even to the ends of the earth; sin, unbelief, preoccupation, and self-serving
- That God would show us our needs and our weaknesses so thoroughly that we become desperate in our seeking and utterly dependent on Him
- For God to convict us of every area of sin so that we might be led into the holiness of Jesus
- That God would create within our hearts a hunger for more time with Him
- That God would forgive us for pursuing worldly amusement before Him
- That God would let us receive and experience the wonder and comfort of His unconditional love

### Praying for God's Will in My Family

- That God would give each single adult in our fellowship contentment and dependence upon Christ that they might find the support and friendship of Christ and His people sufficient for their needs
- That God would ignite within us a sense of urgency in the matters of marriage and parenting
- That God would give each married man in our fellowship a passion to love his wife as Jesus does and to provide for, protect, and lead his family spiritually
- That God would give each married woman in our fellowship a gentle, prayerful willingness to trust God with the changes needed at home
- That God would heal each home where there is strife and turn the hearts of children back to their parents and parents to their children again
- That God would cause each parent to nurture their children with a balance of truth and love

### Praying for God's Will in Our Church

- That God would convict us of our pride and divisiveness, open our ears and eyes to hear and see one another the way God does, and to help us minister to one another in the power of Christ
- For a spirit of 'surrender' with our church and a willingness to do whatever God calls us to do, at whatever price
- For new awareness of God's holiness and the church's need to be holy as He is, if we are to have a significant impact for His glory

- That God would have mercy with every heart that senses His judgments may be imminent. That His power to curse or bless each individual would become apparent to those who are standing in apathy or rebellion.
- Wherever there are major rifts and divisions within the Body of Christ, that God would heal those divisions so that the gospel would have greater credibility as the world observes 'how we love one another'
- That God would give believers, beginning in our small groups, transparency with one another, humility, brokenness, and reconciliation wherever it is needed
- For the Holy Spirit's anointed boldness on every Christian attending Sugar Grove Church. That each of us would experience an eagerness to tell others about Jesus and what He has done for us

#### Praying for God's Will in Our Nation and World

- For a fresh sense of God's love for the world, and rekindling of our love for Him
- For churches of maturing disciples to be planted within every people group within this generation
- For strength, perseverance, and joy for our missionaries serving around the world as they pursue God's calling
- For Satan to be bound and fully defeated. That Christ's victory on the cross would break Satan's hold on nations and cultures
- That God would give a global awakening to His Church, helping us to know Christ well enough so we trust, love and obey Him so we move with Him in new ways for the fulfillment of the Great Commission in our generation
- For God's will to be done in this year's presidential election, that whoever is elected will truly fear God and desire repentance and righteousness for our nation
